

BRECKNOCK SINFONIA “Buy an Extra Ticket” 100 CLUB
2017-18

Dear Friends

In order to help fund our wonderful local orchestra, the Friends of Brecknock Sinfonia are hoping that you will support – or continue to support - the orchestra by subscribing, or re-subscribing, to our **“Buy an Extra Ticket” 100 Club**.

For an annual subscription of £12, (which is the cost of a concert ticket, hence the name) your name will be entered into the draw to take place before each of our 4 annual concerts, which are currently held in March, June, September and the following January. So you may return from a wonderful concert with the added bonus of a prize cheque!

Each draw gives the winner a £30 prize - we hope you find this tempting.

You are very welcome, of course, to buy more than one number.

Our rules: Subscribers must be over 18.
 You may have any number of subscriptions provided that a separate subscription is paid for each.
 One draw number will be allocated per subscription paid.
 Anyone winning in one draw shall continue to be eligible for prizes in subsequent draws.
 A prize cheque/money will only be paid to the person to whom the winning number has been allocated.

The first draw of the new subscription year will take place at the 25th March 2017 concert and there will be 3 further draws, one at each concert during the subscription year.

We do hope you would like to subscribe or re-subscribe - please complete the slip and return it with your cheque to me at the address below to arrive by Friday 24th March in time for the first draw before the 25th March concert. If you miss the first draw, you are very welcome to subscribe for the rest of the year.

With best wishes
